storage jars
storage jars
spray bottles
spray bottles
spray bottles
colorimetric substrates
spin desalting columns
mops buffers
potassium phosphate
thrombin
bacterial selection antibiotics
cell lysis detergents
colorimetric substrates - dab
pipette tips
spin desalting columns
phalloidin conjugates
dntps
western blot stripping buffers
histology & cell stains
dialysis cassettes
sds (sodium dodecyl sulfate)
sodium acetate
protease inhibitor cocktails
phenols
western blot stripping buffers
colorimetric substrates - dab
reducing agents
